- AUTO
- ON
- OFF

After use, please make sure to

set "FLASHLIGHT" back to "AUTO" and plug Sentina back into a power socket.

IMPORTANT!

1. **Always keep Sentina on a power socket.**
   If Sentina is unplugged for a long time, the built-in battery may discharge completely. It may exhaust the battery and lower its performance.

2. **Plug Sentina into AC 120V socket only.**
   In case of using Sentina in foreign country, please use proper converter.
