Twilight series features a large flared back design and is available either upholstered or in wood veneer. Upholstered seats are made from a high density ultracell™ foam that provide exceptional comfort and support all day. Round tubular steel frame is standard in Black (BLK), also available in Tungsten. Welded corner brackets provide additional reinforcement. Chairs are not recommended for stacking. Comet tables and connecting brackets are compatible with the Twilight Series. Choose from an array of fabrics and finishes to complement your office environment.
