

PEANUT BUTTER & JELLY CARD GAME

OBJECT OF THE GAME: Be the first player to make three sandwiches.

CONTENTS: 54 card deck and 1 plastic fly

BEFORE PLAY: Player shuffle cards. Deal out 2 cards to each player, place remainder of cards face down between players along with the fly.

HOW TO PLAY PB&J:

- Youngest player starts play.
- Draw a card from the pile
- If player has a slice of bread in the cards they hold, they can lay it down in from of them to begin building their sandwich.
- If they do not have a card to play, they discard one starting a discard pile
- PLAYER CAN ONLY TAKE CARDS TO BUILD THEIR SANDWICH FROM DRAW PILE.**
- Players must build a sandwich in order starting with a slice of bread; followed with either peanut butter or jelly cards (does not have to be in order) and topping the sandwich off with another slice of bread.

CARDS

- BREAD:** Players start their sandwich with a slice of bread
- PEANUT BUTTER:** PB is placed either on a slice of bread or on top of jelly card.
- JELLY:** Jelly is place either on top of bread or peanut butter cards.
- BREAD:** Bread is the first and last card played to complete sandwich.
- ANT:** IF A PLAYER HAS AN ANT CARD THEY MAY TAKE A PART OF ANY PLAYERS SANDWICH AND PLAY IT ON THEIR SANDWICH.
- FLY:** IF A PLAYER HAS A FLY CARD, THEY PLACE THE FLY ON THE PLAYER OF THEIR CHOICES SANDWICH. That sandwich is now no good until the fly lands on another player's sandwich. The way that a fly lands on another sandwich is by another player picking up a fly card. The player with the fly on their sandwich cannot play any other cards on their sandwich until it flies away.
- IN THIS CASE, THEY START TO MAKE A NEW SANDWICH.**
- Once a player completes a sandwich, they begin another sandwich.

WINNER: The first player to make three PB&J sandwiches. A sandwich with a fly on it cannot be counted as a completed sandwich.
